Dear Parent / Carer

A new way to record, track and monitor homework at Beccles Free School

We are excited to be launching Show My Homework, an online tool to help you keep track of your child's homework. Show My Homework will allow you to see the details of the tasks your child has been set, as well as their submission status and grades.

You will be provided with login details to your personal account, ready-linked to your child's homework calendar. These logins will be sent out via the students on Monday 9 May after launching, but don't worry you will still be able to view all homework.

To view all homework set without login details please visit <https://beccles.showmyhomework.co.uk>. The link for Show My Homework will also be on our website from Monday 9 May. You will also be able to login by following this link and clicking the top right 'Login' button.

- 24/7 access
- View quality and quantity of homework
- Translation into over 50 languages
- Free apps available for iPhone, iPad, iPod Touch and Android devices
- Receive automated notifications before homework is due

We'll be launching Show My Homework on Friday 6 May and we hope that this service will provide parents with a deeper insight into the homework your child receives. More importantly, we hope that it will improve your child's organisation, time-management and help them to keep on top of their workload.

If you or your child have any questions about the service, please don't hesitate to get in touch with the team at Show My Homework, who are always happy to help. Just email help@showmyhomework.co.uk or call 0207 197 9550.

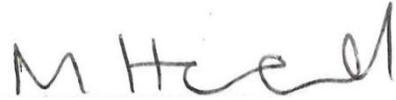

If you'd like to get in touch with the school or provide feedback, please contact the school office.

Thank you once again for your support.

Yours faithfully,
