Dear Parents / Carers of Year 10 and 11 students

At Beccles Free School, we believe that communication between school and home is imperative in ensuring your child's success at school. Co-operation is one of the "6Cs to Success" which underpin the ethos of all Free Schools in the Seckford Foundation Free Schools Trust. We believe that students need effective support from parents and carers through the GCSEs to be able to reach their full potential.

To that end, I would like to invite you to attend a GCSE information evening on Wednesday 2 November 2016 at 5.30pm. The event will run for an hour with the Subject Leaders for English, Maths and Science giving talks on the structure of the GCSEs; how they are examined and the topics on which students will be assessed. The pastoral team will be advising on revision techniques and ways to support your child through this crucial period.

We hope that you can attend this session and look forward to seeing you.

Yours faithfully,

Mr T Ward
Deputy Headteacher
