12 January 2017

Dear Parent / Carer

Café 11 Mentor Meeting

Café 11 is a programme we are using to mentor our students in Year 11 to ensure they can achieve the very best grades. Over the past term, students have met with their respective mentors to discuss issues and focus on revision needs. During this week mentors and students are meeting to review the mocks and focus on what is required this term. We value our communication with parents and carers enormously. Consequently, in the forthcoming progress evening we would like to focus on a detailed conversation between parent/carers, student and mentor.

To that end, I write to invite you to the Café 11 mentor meeting for your son / daughter. This will take place on Wednesday 18 January between 4pm and 6pm. Please add this to your calendar. Your son / daughter meets regularly with their mentor and this is an opportunity to discuss an overview of their progress towards their GCSEs, intervention and support available in school and how best to revise.

English, Maths and Science Subject Leaders will also be available at the evening to discuss progress, targets and answer any questions you may have about how you might support your son / daughter with their education.

A booking form has been given to your son / daughter for them to make an appointment (which will be approximately 20 minutes long). Please make sure that your son / daughter knows the times between which they should be making an appointment.

This evening is an extremely important part of the dialogue between parents / carers and teachers which allow us to continue to ensure we are 'providing a foundation for life' for your son / daughter. I look forward to seeing you at the event.

Yours faithfully,

Mrs M Herod
Assistant Headteacher
