

Science 2015-2016

Scheme of Work map for all year groups 7 and 8
Miss Field (Subject Leader - Science)

Scheme of
Work Map

YEAR	MICHAELMAS TERM		LENT TERM		TRINITY TERM	
7.1 (GBU)	Particles and their Behaviour	Forces	Elements, atoms, compounds and reactions	Acids and alkalis	Space	Electricity and magnetism
7.1 (SFI)	Cells and structure and function of the body systems	Cells and structure and function of the body systems	Reproduction	Reproduction	Light and Sound	Light and Sound
7x (TBX)	Electricity and magnetism	Acids and alkalis	Particles and their Behaviour and	Forces	Acids and alkalis	Space
7x (SFI)	Cells and structure and function of the body systems	Cells and structure and function of the body systems	Reproduction	Reproduction	Light and Sound	Light and Sound
8.1 (GBU)	The periodic table and separation techniques	Ecosystems, adaptation and inheritance	Energy, motion and pressure	Metals and acids and reactivity	Health and lifestyle	The Earth
8x (JRE)	Energy, motion and pressure	Metals and acids and reactivity	Health and lifestyle	The Earth	The periodic table and separation techniques	Ecosystems, adaptation and inheritance

8y (SFI)	The periodic table and separation techniques	Metals and acids and reactivity	Metals and acids and reactivity	Photosynthesis	Environmental Chemistry	Using chemistry
8y (TBX)	Ecosystems, adaptation and inheritance	Energy, motion and pressure	Energy, motion and pressure	Health and lifestyle	The Earth	Inheritance and selection
