Go 4 Schools

You should now be aware of the new system we are using to share your son / daughter's academic data. I am writing to let you know that you are now able to view any behaviour incidents and positive praise on Go 4 Schools. Any negative behaviour points and any positive praise points will show as soon as they are added.

In line with our behaviour policy you will receive a phone call if your son / daughter is issued with a B1 or is involved in an issue where it is appropriate for us to contact you. Beccles Hero badges and praise postcards will also remain as they have previously, they will just be logged to provide a chronology on Go 4 Schools.

If you have not done so already, to access the site, please go to www.go4schools.com and click on the 'Parents' icon at the top of the main page to arrive at the log-in screen. The email address you use to enter the site must be the one you have provided to the school.

To request a password for GO 4 Schools, please enter your email address into the First-time User field and click 'Please send me a password'. A password will then be generated and sent to your email address. You will then be able to log into the site and view your child's page.

I hope that this will give you a clear overview of your son / daughter's Attitude to Learning alongside their academic reports. If you have any queries regarding this please contact your son / daughter's form tutor in the first instance.

Yours faithfully,

Mr D Lees
Headteacher
