Dear Parent / Carer

Your child has been attending 'Care in the Community' as his/her enrichment choice this term. As part of this, he/she has trained and registered to become a 'Dementia Friend'. As a group, we are immensely proud of this and now can not wait to go into the community to interact with some residents at a local care home.

We plan to visit The White House in Beccles every other Wednesday afternoon, during enrichment, for the next term. On our visits to the care home the students will deliver activities which they have planned for the elderly residents.

When the students are not visiting the home, they will be in school working towards a certificate in 'Understanding Dementia'.

On the weeks that we visit the care home, I intend for us to leave school at 2pm and finish in time for us to be back at school for the end of the school day.

We will travel to and from The White House on the school mini bus.

In order to allow your child to take part in these visits, please complete the consent form on your ParentMail account by Wednesday 19 September.

Yours faithfully,

Mrs H Pentney  
**Higher Level Teaching Assistant**
