1 October 2018

Dear Parents/ Carers

Thank you to all that attended our Y11 success evening. We have had some extremely useful feedback and parental support for this event and as promised the PowerPoint with information regarding key dates, revision champions and core subjects is attached in this email.

For parents that couldn't make the evening the next key date is Monday 29 October, when Y11 will sit their mock exams for all of their subjects. These exams are extremely important and will give us vital information on where to support your child as they move into their next set of exams. At this stage in the school year, we would expect students to be completing between 5 and 10 hours of revision per week. This will of course vary depending on personal commitments, e.g. weekend activities, family duties, etc. Therefore, anything over 10 hours revision would be seen as a hard-working week from the student and anything under 5 is not nearly enough.

If you have any further questions or need any more information please do get in touch.

Yours faithfully,

Mr J Pentney

**Assistant Headteacher (Progress and Standards)**
